Casco Industries SERVICE & INSTALLATION

Casco Industries offers a wide variety of services to assist you with your projects and installation needs.

PRODUCT INSTALLATION

Casco will install the majority of products available at Casco Industries. Casco's installation utilizes OSI's window and Door System products to ensure a long lasting and quality installation. OSI delivers the toughest sealant, foam and butyl flash tape ever developed.

PRO-SCREEN SERVICE

(SCREEN & HARDWARE HOLDING)

Buying new windows and patio doors from Casco? Casco's PRO-SCREEN Service defers the shipment of removable hardware and fragile screens to a second delivery to the jobsite. This service prevents screens from getting damaged and dusty & hardware from being lost or stolen from the jobsite! At the time of delivery, you have the option of having Casco install the screens as well!

TAKE OFF SERVICE

Building a new home? Talk to us during your design phase! We will assist in designing with beauty and budget in mind. Using standard size windows and doors allows you to avoid costly custom sizing fees. Also, Casco can design your new kitchen in our 3D imaging program so you can see what you buy before you buy it!
